Introductory

The twenty-seventh edition of R. L. Polk & Co.'s Des Moines Directory is herewith presented to our patrons and the public with the assurance that it will be found as complete and accurate as usual. All departments of the Directory which have been included in former editions are continued in this issue and have been added to and improved where possible.

The Directory consists of four essential departments: The Miscellaneous, the Alphabetical List of Names, the Street and Avenue Guide and Directory of Householders and the Classified Business Directory. The departments are compiled in the order stated. Persons not familiar with the compiled arrangements of information are referred to the Indexes on pages 28 to 33.

There is a smaller assembly hall in the building seating 900 persons and there are also several committee rooms.

Des Moines is the capital of Iowa. The State has here a capitol costing $3,000,000; historical building costing $500,000; State Fair grounds representing $2,500,000 invested. All of the departments of the State government and headquarters of all the State institutions are in Des Moines.

Des Moines is governed by the Des Moines Plan. Five councilmen are elected at large, are assigned to departments and like the directory board of a bank, direct its affairs.

Chamber of Commerce—We invite you to write to us about business openings, to visit with us, to trade and bank with us, to send your children to our schools, or better, come and live with us and be one of us—we will gladly answer all letters of inquiry. Address Chamber of Commerce.

Directory Library—A Directory Library supplied with current issues of the directories of the principal cities of the country is maintained by the publishers at the Chamber of Commerce, Fifth Floor, Shops Building, for the free use of the public.

THE CUMMING SCHOOL OF ART

DES MOINES, IOWA

CHARLES ATHERTON CUMMING

DIRECTOR

PUPIL OF BOULANGER, LEFEBVRE AND CONSTANT

REGULAR DAY SCHOOL

SATURDAY MORNING CLASSES

NIGHT CLASSES

OUT OF DOOR SUMMER SCHOOL

¶ The work of the school ranks with that of the leading academic art schools of Europe and America. Artists who have received their instruction in this school are occupying prominent positions throughout the country as painters, illustrators, designers, teachers, commercial illustrators and cartoonists.

¶ The studios and galleries—eight in number—are correctly lighted, having been designed for their present use. Few studios are so sanitary, comfortable and well equipped for practical work.

¶ The first year's work has been so designed as to make a complete short course. The thirty-four weeks of studio work in free hand drawing, painting, design, lettering, perspective, construction drawing and illustrative composition are so divided as to give the very best results, as well as to make a perfect foundation for advanced art study. - - - - - - -
